

# MARLISH

**SUGAR  
FREE**

**PLASTIC  
FREE**

**LOW  
CALORIE**

**Supporting healthcare**

Sustainably produced still, sparkling and naturally flavoured spring water

**Sugar free and no artificial preservatives**

**Canned at source in Northumberland**

**100% vegan friendly**

## **Keeping the health service refreshed**

Marlish spring water is produced and canned at source on Marlish Farm. Slowly filtering through rock and mineral strata for 150 years acquiring its pure quality and fine taste.

Our canned water helps you serve sugar free, low calorie drinks to patients and staff in a safe and sustainable way.
