WWW.LWC-DRINKS.CO.UK

HELLO, 2017!

... And goodbye, 2016! A mixed bag, as years go. We at LWC hope that our customers had a busy and prosperous silly--I mean, festive--season. As I write this, January is just beginning and we have high hopes for 2017. What will this year bring to our ever-changing industry?

There are predictions aplenty for what'll be the hottest trends in 2017. One of the stars of 2016 looks likely to continue its rise: that's tequila, mezcal, tacos and all things Mexican. LWC list over 100 tequilas and mezcal, so there's a wide range to choose from if you want to extend yours.

Time for a tonic--the explosion of gin over the last few years has given rise to this other giant. There are now a wide range of brands and variants of tonic with more set to be launched in 2017. Tonic is now also looking to other spirits for pairing opportunities, so expect to see recommendations for the ideal tequila and tonic serve coming soon.

Flavour-blend beers will continue to grow this year; expect lots of grapefruit IPAs and peanut butter or chocolate milk stouts. They may not be to everyone's taste but in a very crowded craft beer marketplace, a lot of brands seem to be going down this route for innovation and new product development.

Whatever 2017 brings, everyone at LWC wishes you, your staff and customers an utterly fantastic new year. If you need assistance with a range review, new wine list or cocktail list, contact your LWC account manager who will be happy to assist you in any way that they can. With over 7000 product lines, we have something for every venue.

KOVAL RANGE

BOURBON 47% 50cl

Organic, single-barrel bourbon; has the requisite mash bill of at least 51% corn, but instead of the usual rye or wheat supplement, they have included millet.

MILLET 40% 50cl

Organic, aged in new American oak from Minnesota. This is the first whiskey to be made out of millet.

RYE 40% 50cl

Only the "heart cut" of the distillate, no "heads" or "tails." Grains sourced from a local organic farmer collective in the Midwest.

FOUR GRAIN 47% 50cl

This whiskey is aged in heavily charred new oak barrels from Minnesota and bottled single barrel.

GIN 47% 50cl

Made with a unique variety of woodland spices. Juniper and wildflowers envelop the nose, while the taste is dry, yet vibrant.

BARRELLED GIN 47% 50cl

WHITLEY NEILL

BLOOD ORANGE VODKA 45% 70cl

A handcrafted vodka of exceptional quality, inspired by the vibrant flavours of Sicily. The extract of sanguine Sicilian Blood Oranges injects a dynamic citrus burst into the clean vodka base, for a smooth, crisp taste of the Mediterranean sun. MOTORHEAD

ROAD CREW 4.5% 30L £70.00 5% 24x330ml £28.99

Road Crew is an American Pale Ale style beer available in keg, cask and bottles.

NEW PRODUCTS

ST GEORGE

NOLA COFFEE LIQUEUR 20% 75cl

The brainchild of St George Spirits' Head Distiller, Dave Smith, their NOLA Coffee Liqueur actually tastes like freshly roasted coffee. Yep. We were shocked, too.

Made from Ethiopian Yirgacheffe coffee beans, this liqueur uses French chicory root, just like they do in the Big Easy; Madagascar vanilla; and organic cane sugar to give you all the coffee richness without being overly sweet. Espresso Martinis never had it so good.

BRUTO AMERICANO 20% 75cl

From the pioneering team at St George Spirits comes their latest arrival, Bruto Americano, a Californian take on the classic Italian aperitivo. With notes of sandalwood and cinnamon, and coloured with cochineal (none of that synthetic stuff), this is the perfect ingredient to spice up your Negronis or to make Americanos great again! (Too soon?)

PERONI

GLUTEN FREE 5.1% 24x330ml £26.99

Peroni's Italian brew masters have perfected a new gluten-free recipe for Italy's most iconic beer – without compromising on taste. Peroni Nastro Azzurro Gluten Free has the same delicate balance of bitterness and citric notes as Peroni Nastro Azzurro, as well as the trademark refreshing, clean finish – but simply contains no gluten.

TIMOTHY TAYLORS

KNOWLE SPRING BLONDE 4.2% 9G £96.20

A 4.2% easy-drinking blonde beer, with floral and grapefruit aromas, complex depth of flavour and aromatic citrus hops.

NEW WINE RANGES FOR SPRING

We are introducing some new wines for spring from Mendoza, Chile and Australia which we think will make excellent additions to your wine offerings. Our Down Under range comes from Andrew Peace wines, a family owned and operated business, comprising a modern winery and a 180 hectares wine grape vineyard. While our Riverside is produced in the famous Mendoza Valley region of Argentina.

RIVERSIDE MALBEC

This wine is rich and fruity displaying ripe blackberry fruit aromas. Spice and warmth give this wine a fruit driven edge with gentle tannins on the finish. It will compliment a number of red meats including steak and lamb.

RIVERSIDE SAUVIGNON BLANC

This wine is fresh and vibrant with passion fruit, gooseberry and some melon characters. It has a balanced richness of fruit with a floral note through the palate, with intense depth of flavour and a crisp finish.

DOWN UNDER SHIRAZ

A full-bodied and smooth wine enriched with ripe black fruit flavours. Would accompany barbecued lamb chops with garlic and rosemary perfectly.

DOWN UNDER CHARDONNAY

A fresh, rich wine full of tropical fruit flavors such as pineapple, pears and melon. Goes well with chicken korma and spaghetti carbonara.

FANTASTIC FIZZ FOR VALENTINES

'Dry January' is officially over, and many couples will be heading out looking to treat themselves to a romantic meal and a bottle of bubbly to complement. Here are just a few suggestions to offer on your Valentines menu, covering a range of styles and price points - all guaranteed to look the part on the dinner table:

“LET’S DANCE IN THE MOON LIGHT, SHOES OFF IN THE GRASS AND SIP CHAMPAGNE FROM A FINE CRYSTAL GLASS.”

SIMPATICO ROSA SPUMANTE 75cl:

Exclusive to LWC and in an eye-catching sparkling pink bottle, this Prosecco really stands out and delivers on taste too with bright, fresh red fruit flavours.

CHAMPAGNE DE CASTELNAU ROSE NV 75cl:

Founded in 1916, Champagne Castelnau is located in the heart of the Champagne region where it produces around half a million bottles per year. Their Rose makes an excellent aperitif, and also goes well with red or white fruit based desserts.

BOLLINGER ROSE NV 75cl:

In the production of this rose champagne, 5-6% of red wine is added to the blend, which provides structure, real depth of fruit flavour and a slight tannic finish.

LAURENT PERRIER ROSE MAGNUM 1.5LTR:

The iconic Laurent Perrier Rose bottle but double the size! Perfect for the very thirsty or those wanting to make a big impression, this really is a centrepiece for the table. Try serving in a tulip-shaped glass instead of the traditional champagne flute to enjoy the full benefit of its fruity, heady aromas.

Of course, not everyone is a fan of rose sparkling wine or champagne - why not add something different to your wine list with a speciality sparkling red wine?

PAULETT 'TRILLIANS' SPARKLING RED 75cl:

A blend of 86% Shiraz and 14% Cabernet Sauvignon, the wine is deep ruby in colour with a lively mousse and spicy, dark fruit aromas. Can be enjoyed chilled either as a standalone drink or as an accompaniment to a meal - turkey, veal, barbecued meats and plum pudding would all make excellent matches.

WARNER EDWARDS PICK OF PERFECT VALENTINES DAY COCKTAILS

The Warner Edwards Rhubarb Gin is made using a crop of rhubarb originally grown in the kitchen garden of Buckingham Palace during the reign of Queen Victoria! The rhubarb juice is extracted using a traditional fruit press and blended with the award-winning Harrington Dry Gin to produce an alluring pink gin that is voluptuous on the palate with a sweet and tangy royal rhubarb explosion.

RHUBARB MARTINI

One of the most classic cocktails twisted up with the royal Warner Edwards Victoria's Rhubarb Gin. As rhubarb is a vegetable it is also low in calories, low in fat, cholesterol free and high in fibre, one of your five a day surely!

INGREDIENTS:

65ml Warner Edwards Victoria's Rhubarb Gin
10ml Noilly Prat Dry Vermouth
3 Dashes of rhubarb bitters (optional)

GARNISH:

Lime twist.

GLASSWARE:

Martini.

METHOD:

Stir all the ingredients over ice (for at least 15 seconds) in a mixing glass and pour into the martini glass, straining out the ice.

RHUBARB GIMLET

With added lime cordial back into the mix for the Rhubarb Gimlet, it balances perfectly with the flavour of Warner Edwards Victoria's Rhubarb Gin. The Rhubarb Gimlet has become a popular serve amongst the cocktails bars because it looks as good as it tastes!

INGREDIENTS:

50ml Warner Edwards Victoria's Rhubarb Gin
25ml Fresh lime cordial
20ml Sugar syrup
3 Dashes of pink grapefruit bitters (optional)

GARNISH:

Mint sprig.

GLASSWARE:

Martini.

METHOD:

Shake all ingredients together with ice and fine strain into martini glass.

RHUBARB SOUR

The sour is a classic style of cocktail that can be made with pretty much any spirit. Using the Warner Edwards Victoria's Rhubarb Gin however changes the complexity of the drink completely. The lemon and sugar create a sherbet like flavour with a burst of rhubarb coming through. The addition of the egg white will give the drink a smoother more rich texture.

INGREDIENTS:

50ml Warner Edwards Victoria's Rhubarb Gin
 25ml Lemon juice
 20ml Sugar syrup
 Dash angostura bitters
 1 Egg white (optional)

GARNISH:

Blackberries and lime wedge.

GLASSWARE:

Rocks.

METHOD:

Dry shake (without ice) all ingredients together, then shake again with ice and pour into a rocks glass filled with ice.

RHUBARB FIZZ

Classic flavours go into this cocktail and they all work perfectly together! The ginger adds a zing to the drink whilst the lemon balances the sweetness. Another great drink for a celebration.

INGREDIENTS:

50ml Warner Edwards Victoria's Rhubarb Gin
 10ml Lemon juice
 1 Teaspoon grated ginger
 10ml Sugar syrup
 Prosecco

GARNISH:

Sage leaves.

GLASSWARE:

Martini.

METHOD:

Shake all ingredients (excluding the Prosecco) together and pour then top up with prosecco.

Passion Fruit

Your love affair with a fruit drink may come to an end when you find out it has been a little unfaithful. Vacuuming, vaporising and reconstituting juice can be real passion killers.

Frobishers fruit juices, fruit smoothies and juice drinks however, are made from perfectly ripe fruit that is simply squeezed, pressed and bottled. No concentrates or anything artificial, just the honest character and goodness of the original fruit.
