Dear Valued Partner,

We hope you and your families are safe and well, and thank you for your continued support throughout these turbulent and difficult times. Our industry has faced perhaps the most challenging year in its history, but the resilience that exists within our sector has shone through, and will continue to do so.

As we navigate the unknowns of the next few months, it is incredibly important to us – as your supplier – that we continue to support you the best way can. It is for that reason that we wanted to ensure that we still brought you the annual LWC Christmas brochure, packed full of offers and deals exclusively for our customers.

We believe that in the present climate, customer discounts and offers will be more beneficial than ever before and as such, we hope that this Christmas brochure provides all of our customers with something favourable. The Christmas brochure will now run from 1st December to the 31st January

Once again, thank you for your continued partnership
and all the best for a successful 2021!

Your LWC Team

MARLISH X DIAGEO:

PERFECT GIN AND MIXER PAIRINGS, HAND SELECTED BY DIAGEO GIN AMBASSADOR PIPPA GUY.

Marlish Tonics & Mixers

The new Marlish Tonics & Mixers range provide a sustainably sourced, lighter alternative to traditional calorie-laden tonics and soft drinks.

Created using naturally filtered Northumbrian spring water, Marlish Tonics & Mixers are produced and bottled at source on Marlish Farm, in Northumberland – a nod to the brand's sustainability-focused ethos – and use only the finest natural ingredients to achieve that memorable taste.

About Pippa

Pippa Guy started her career in the drinks industry whilst studying at Leeds University. Her passion for hospitality has taken her all over the world and she has most recently taken up the role of Tanqueray Gin's UK brand ambassador.

Career highlights:

2017 - Pippa becomes the first female to wear the iconic Savoy white jacket in almost a century.

2018 - Pippa writes and publishes her first cocktail book, "Let's Get Fizzical" in November 2018 and has now sold around 17,000 copies worldwide.

2019 - Just before she left the American Bar in September 2019, Pippa was awarded Bartender of the Year 2020 by Class Magazine, in recognition of her time and achievements at The Savoy.

Pippa has also collaborated with Coca-Cola to create the new Coca-Cola Signature Mixers range for dark spirits. This is the first time Coca-Cola has collaborated with anyone in its 130 year history. Pippa's flavor - in collaboration with Adriana Chia - is 'Spicy Notes.'

DIAGEO X MARLISH

PIPPA'S MARLISH X DIAGEO PAIRINGS:

Gordon's Mediterranean Orange X Marlish Elderflower Tonic water

- Add 50ml Gordon's Mediterranean Orange to a Copa glass
- Fill with ice all the way to the top
- Pour 200ml Marlish Elderflower Tonic water
- Garnish with Orange slice

"Smells exactly like Capri-Sun, slightly on the sweeter side so worked really well with the ever so slightly bitter floral pairing of elderflower tonic."

Tanqueray Rangpur X Marlish Ginger Ale

- Add 50ml Tanqueray Rangpur to a Copa Glass
- Fill with ice all the way to the top
- Pour 200ml Marlish Ginger Ale
- Garnish with Lime wedge or Ginger Slice

"This would appeal to an explorative G&T drinker and maybe even vodka soda drinkers too."

Tanqueray Flor De Sevilla X Marlish Lemonade

- Add 50ml Tanqueray Flor de Sevilla to a Copa glass
- Fill with ice all the way to the top
- Pour 200ml Marlish Lemonade
- Garnish with Lemon slice.

"The bittersweet nature of Flora de Sevilla is really well complimented by the Lemonade. The mixers are slightly on the lighter side which gives just the right amount of sweetness to balance."

Gordon's Pink X Marlish Rhubarb and Ginger Ale

- Add 50ml Gordon's Pink to a Highball glass
- Fill with ice all the way to the top
- Pour 200ml Marlish Rhubarb and Ginger Ale
- Garnish with strawberry, mint and cucumber

"I chose the Rhubarb and Ginger Ale as the Marlish Ginger Ales are phenomenal and it gives this pairing almost a bit of a Pimm's cup vibe!"

BUMBU

BUMBU RUM is based on the original recipe created by 16th and 17th century sailors of the West Indies, who blended native Caribbean ingredients into their rum and called it "Bumbu" – truly the original craft spirit.

Using the same all-natural native spices and no artificial colors or flavours, our rum is an authentic revival of this piece of Caribbean history, distilled in small batches and blended by hand.
