ABV: 4.5% £88.00
TASTING NOTES
 The taste of the delicate floral hops trails citrus with a slight pine bitterness and leaves you with a mild biscuit taste (posh ones, not your average digestive). A perfect pairing for shellfish, Thai dishes or a double cheeseburger with fries.

Tom Cat Gin is distilled in small batches with pure Sussex mineral water from Pear Tree Well. Our Dry Sussex Gin is made in the style of a classic London Dry Gin to finish with a linger of orange.

Cloudy Mango Gin embraces the mango with a colour that's evocative of the ripening fruit.

The Blueberry Gin is infused with the "superfood" of fruits to create a rich deep spirit.

Unique, quintessential Gins.

Sussex's VERY OWN JUICES & MIXER BRAND

Nestled at the foot of the South Downs is Folkington's, a family business started and run by Paul & Frances. Paul's grandparents arrived in Sussex in 1964 and the family has never left; and now their drinks business, started 20 years ago has become loved throughout the county by the brand's loyal supporters. Folkington's is a "no short cuts" business where quality comes first. Every product is crafted with integrity and with a passion for sourcing fruit locally and sustainably wherever possible. The journey started with fruit juices and under the same guiding principles now includes a unique range of tonics and mixers - a range that pairs perfectly with LWC's Signature Brands.
