ONLINE REVIEWS

"I use the LWC online ordering system every week. It's very simple to use and is the most convenient way for me to order everything I need for my bars."

The Ravenswood,
Sharpthorne

"We use LWC's online ordering portal to place all of our orders and deal with all of our accounting and invoicing with LWC. We find it particularly useful because in this industry, people tend to work late nights so our managers can place orders when they've finished their shift or on the weekend when the LWC office might be closed. It's also really good because it allows us to see how much we're spending on stock and manage our stock spending budgets ahead of time."

The Nut Hatch, Stockton & Middlesbrough

"We use LWC online ordering because it's very, very easy to use. It's a great service and that's why we use it. It fits in with our lifestyle and our business."

HERITAGE & PROVENANCE

The Wilkin family have been farming at Tiptree, Essex, since 1757, and making quality preserves and spreads there since 1885.

We grow a wide range of traditional English fruits and use them to make preserves, condiments, and other treats in our factory by the farm.

We've combined small-batch craft English Gin and Vodka with our Tiptree Fruits and Tiptree Spreads to create a rather tasty selection of Fine English Spirits.

Sip over ice, add your favourite mixer, or get creative with cocktails.
