MR GRUNDY'S BREWERY

Mr Grundy's Brewery was established in 2010 at the back of Mr Grundy's Tavern. The pub and brewery are named after Clifford Stoppard Grundy who served in WWI in the 5th Battalion the Sherwood Foresters as a commissioned officer, seconded to the newly formed Machine Gun Corps. He received British War and Victory Medals. In WWII he was in the home Guard. Clifford moved to the pub which now takes his name in the 1950s and lived there until his death in 1991.

Mr Grundy's brewery was originally started to supply beer only to Mr Grundy's and some local pubs but following demand the beers can now be found all across the midlands and further across the UK. The beers are steeped in English tradition and are forward in utilising English ingredients to produce a range of cask ales from stouts and porters which carry depth of flavour to light and refreshing pales.

OUR STORY...

Wilde Child Brewing Co. was born out of a Leeds based garage in 2016 and is the brainchild of one man, we transitioned away from the garage in 2018 to our current two unit home in Armley. Having won numerous domestic and international awards, we're now proud to be dealing with some of the best pubs, wholesalers and supermarkets the UK has to offer. Despite the surreal and fast paced journey we've been on, our ethos has always remained the same - create big and bold beers that provoke you into thinking about what you're consuming and take you on a journey based around extreme flavour. Welcome to the world of 'An Unruly Beast.'

HOBGOBLIN

BAH HUMBUG

**WHO EVEN IS THIS 'JOYEUX NOEL'? AND
WHAT'S HE GOT TO BE SO HAPPY ABOUT?**

Here at Hobgoblin, we believe Halloween is the most wonderful time of the year so when you say, 'Merry Christmas', we reply 'Bah Humbug!'

After all, 'tis the season to be grumpy.

BREWING GOODNESS FOR A BETTER PLANET

Our brewery, taproom and brand new pizza bar can be found in Arundel. The taproom is also host to our charitable efforts locally. So far, we have helped to raise over £50,000 for charities that are making a real difference to the conservation scene. We plant 100 wild flower seeds or a tree sapling for every cask sold. We have begun planting our wildflower meadow on site, just behind our Brewery and Taproom, and planted 150 tree saplings with Planet Partner.

We brew with purpose, and choose a different wildlife conservation cause to support with each new brew. Our core range is inspired by some of Africa's most endangered species; supporting the David Shepherd Wildlife Foundation. A small team, with big ambition. From the start we have engaged with sustainable and regenerative practices, beginning by ensuring all of our packaging is plastic free and recyclable. We are now eliminating brewing waste, by giving spent grain to feed local cows.

An English golden ale that uses both traditional and modern hops. Sweet and malty with a hint of tangerine, low to medium hop bitterness with a light aroma.

A versatile, British session IPA with Olicana and First Gold hops. Complex bitterness with floral, fruity notes of grapefruit.

All of our beers are brewed and packaged in our brewery in the town of Arundel. We make great tasting beer, and do great things with it. We are working with the Norfolk Estate who have farmland around Arundel, all of which is less than 3 miles from the brewery. Our goal is to use their malting barley, reducing travel emissions for this vital brewing ingredient. Through crop rotation, the cattle who will have been fed the spent grain, will then graze in that same field, fertilising the soil, closing the loop and creating a regenerative malting practice.

Gun Brewery can be found on Gun Hill, in the heart of the East Sussex countryside. Founded in 2015, our aim is simple: Inspired by brewing styles old and new, to make great beer, using the best ingredients. All our beers are brewed using our own spring water, drawn from deep below the wildflower meadows here on the farm. Most are vegan and many are also gluten free. Having won multiple Great Taste Awards over the years, in 2021 the Guild of Fine Foods awarded us the coveted Great Taste Producer status.
