EVENTS & INSIGHTS

Father's Day: Sunday 15th June

Father's Day is an important day in the ontrade calendar, with the ability to create real impact on outlet footfall and sales. There are a multitude of ways you can take advantage of the occasion and master your Father's Day strategy.

- Early targeting Begin your marketing campaign in early June to target as many people as possible before the day comes around!
- Promos and offers Highlight any special promotions and offers you're running around the day to entice people to bring their business to you.
- Spread out the celebration Don't stick to just one day. The day of Father's Day doesn't necessarily work for everyone and there are a lot of consumers you will miss out on by limiting your offers just to the Sunday.
- Create an atmosphere Pop up some decorations, play some music or have live music if you can accommodate it. Host special events like quizzes or competitions to attract families and groups

Women's Sports: EURO & Rugby World Cup

There is a growing demand in the UK for women's sport and with it a lot of opportunity to grow sales and increase footfall. Over half (59%) of the UK have an active interest in women's sport (*Nielsens Sports*), and this summer, there are two major tournaments happening in the UK, with both England and Wales having qualified.

The Women's EURO kicks off in July and allows for new peak trading windows and an increase in summer revenue. The England team are defending their EURO 2022 championship, making it a very exciting July for England fans. The 2022 competition brought with it a lot of out-of-home attendance at family friendly outlets, and this demand is due to surge this year with crowds are expected to come to venues to watch the matches.

The 2025 Women's Rugby World Cup runs from August to September, meaning we have a nice transition from Football celebrations (hopefully), to cheering on the team in the rugby, and a stream of sports fans at our tables to go with both. Not only that, but for the first time ever, the women's rugby tournament will be

held in the UK across eight different cities! This is massively exciting for the UK and is anticipated to bring a £64m boost to the English economy (Sheffield Hallam University Sport Industry Research Centre), and maybe your outlet.

Stock strategically for the key matches in the calendar, whether hosting customers for the game or preparing for pre- and post-match traffic. Prep your options for less, via our mixed basked deal on pages 74–75, and low and no basket on pages 102–103. Then get your gardens looking great for some highly anticipated sunshine to sit and enjoy the games, with parasols on page 80 from the Signature Brands beer and cider ranges!

Celebrate English Wine Week in June

English Wine Week, 21st—29th June 2025, is the perfect time to spotlight homegrown excellence. With premium still and sparkling styles gaining traction, English wines offer great quality and a lower carbon footprint, all at competitive prices. THE CHURCHILL TREE

A Perfect Setting: The Churchill Tree, Nether Alderley

We had the pleasure of photographing our summer wine collection at The Churchill Tree in Nether Alderley, Cheshire. Our thanks go to general managers Molly and Becky, who welcomed us so warmly.

Part of the Cheshire Pub Company and supplied out of LWC Stoke, this vibrant venue is more than just a pub. With a busy restaurant, function room, and popular wedding space, it serves both local residents and professionals from the nearby Nether Alderley business park. The site features beautifully restored rural buildings

centred around a historic chapel, complemented by a modern conservatory, stylish bar area, and spacious outdoor seating.

Our relationship with The Churchill Tree spans over five years, and they remain a valued customer and partner.

During the shoot, the venue buzzed with guests enjoying the atmosphere and exceptional food. Head chef Josh and his team presented a delicious menu with options for all, including vegetarian, vegan, and gluten-free dishes. The standout was the signature beef brisket, an instant favourite with our photographer.

THIS OKTOBERFEST, CHOOSE

CRAFTED IN DORTMUND **SINCE 1887**

COMING AUGUST 2025

New to the UK exclusively through LWC, Brinkhoff's No.1 is the beer that captures the heart of Germany's Ruhr region and the spirit of togetherness - making it the perfect pour for Oktoberfest 2025. This is no generic import. Brinkhoff's is a lager with a story, a fanbase, and a flavour that's been winning over modern drinkers, traditionalists, and football fans alike.

From Brewing Mishap to Modern Classic

Back in 1887, a misbatch of pale malt accidentally shipped from a malting house in Dortmund gave rise to something unexpected: a crisp, lighter beer that quickly became a regional favourite. Named after Fritz Brinkhoff, the man behind the malt, Brinkhoff's No.1 is a pale lager that's still brewed true to its origins - light, refreshing, and full of honest character.

The Official Beer of Borussia Dortmund

Since 2008, Brinkhoff's No.1 has proudly stood as the official beer of Borussia Dortmund, sharing the club's values of community, passion, and pride in its roots. Enjoyed in stadiums, pubs, and living rooms across Germany, It's a beer made for celebrating, together.

Why Brinkhoff's No.1 is the Perfect Oktoberfest Pour

- True German heritage: Brewed in Dortmund, a city renowned for beer production
- Crowd-friendly, crisp, smooth and perfectly balanced
 High footfall appeal: Popular with football fans and beer traditionalists alike
- · Ideal for themed menus and stein service
- · Great margin potential and standout on the bar
- · World lager boosts sales; over half of all UK lager sales are world lager, as consumers seek authentic imported beers*

Add a beer with character, history, and German spirit to your taps this autumn. Brinkhoff's No.1 – honest, refreshing, and made to bring people together. Prost!
