SPRING INSIGHTS

Trading Outlook

- Valentine's Day, Mother's Day and St Patrick's Day were among the **biggest drink-trading days of the year**, according to CGA's review of 2024 performance published in February 2025. (Source: *The Morning Advertiser*, Feb 2025)
- Managed hospitality groups recorded **+3.6% like-for-like sales growth** in March 2025, supported by strong trading across Mother's Day and St Patrick's Day. (Source: *CGA/RSM Hospitality Business Tracker*, Apr 2025)
- Stout** continues to outperform the wider beer market, with CGA identifying stout as one of the **fastest-growing** beer styles in the On Trade in 2025. (Source: *CGA Strategy*, Sept 2025)

Occasion Opportunities

VALENTINE'S DAY – SERVES THAT DRIVE TRADE-UP

As Valentine's Day is consistently ranked among the top drink-trading days, there is strong consumer expectation for celebratory and premium drinks.

- Lean into simple, visual serves such as **Old J Cherry Spiced Rum** cocktails, tapping into consumers' willingness to experiment with colourful and flavour-led drinks.
- Position English sparkling wines like **Silverhand** and **Silver Reign** (page 13) as accessible yet premium options for date-night packages.
- And for those looking for more value-led pinks, position pink and sparkling wines from this brochure as natural Valentine's choices, including **Castelli Prosecco Rosé** and **Prosecco Acquerello Rosé** (pages 11–12) – ideal for

sharing occasions, arrival serves and date-night packages.

- For operators looking to extend pink serves beyond sparkling, **Viña Elena Tempranillo Rosé** (page 20) offers a versatile still-wine option that works well across dining and casual occasions.

INTERNATIONAL WOMEN'S DAY – FLAVOUR-LED & SOCIAL

International Women's Day offers the perfect opportunity to bring women together, spotlight female-founded or female-inspired brands, and provide a real talking point over the bar.

- Agnes Arber Gin** (page 40), inspired by a pioneering female botanist, offers a meaningful story for IWD menus.
- 'Boozy Brunch'-led indulgence can be elevated through cream-liqueur serves, including **Sombrero Mexicano Strawberry Cream Liqueur** (page 49).

MOTHER'S DAY – A KEY DRIVER OF MARCH GROWTH

Mother's Day significantly contributed to the **+3.6% March 2025 sales uplift** in managed pubs and bars.

- Build premium 'treat moments' into your menu through sparkling wine arrivals, upgraded G&Ts or signature cocktails.
- Encourage pre-booking and package-led offers, which historically underpin strong performance on this occasion.

ST PATRICK'S DAY – LEVERAGE 2025 STOUT MOMENTUM

With stout confirmed as one of the fastest-growing beer styles of 2025, St Patrick's Day offers an ideal platform for both differentiation and authenticity.

- LWC's **White Top** and **Coal Drop stouts** (page 72) give operators a point of difference from mainstream Irish stout, capitalising on craft-led consumer curiosity.
- Of course, **Guinness** (page 65) is always a popular choice.

STRATEGIC CONSIDERATIONS FOR OPERATORS:

- Lead with premium but simple serves across all key occasions – **sparkling wine, cocktails and stout** all show strong evidence-backed demand in 2025.
- Plan ahead for early-year celebrations, as Valentine's, Mother's Day and St Patrick's Day are proven revenue-driving dates.
- Equip teams with easy-to-sell serve suggestions using **Old J Cherry**, **Agnes Arber Gin** and LWC's stout brands to convert interest into higher spend per head.
- Refresh menus for spring, supporting consumers' natural shift toward lighter and exploratory serves as March trading lifts.

Old J Cherry Pink Lemonade

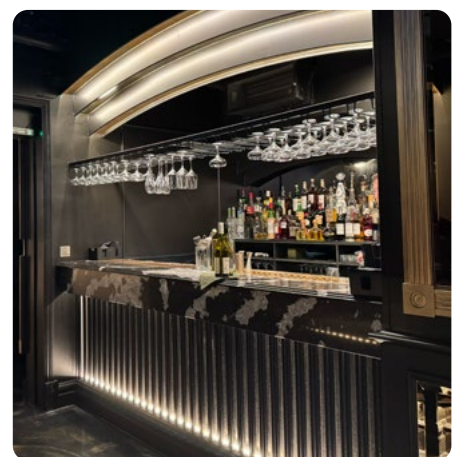

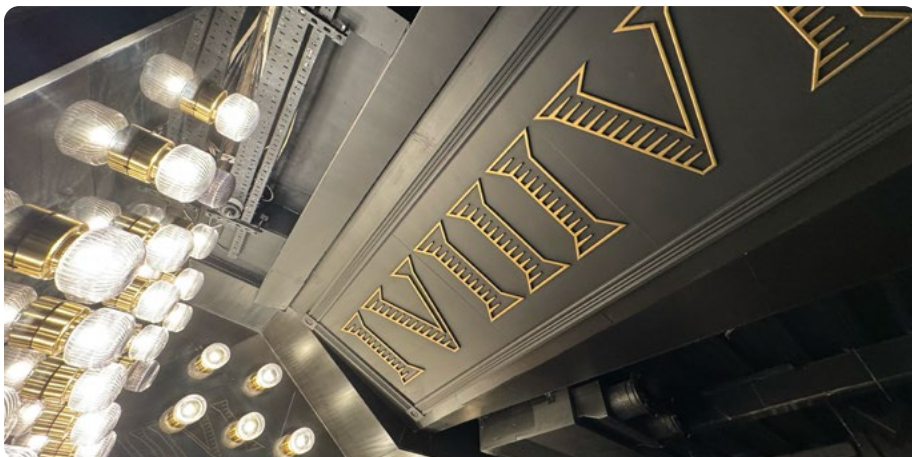

This Edition's Wine Photoshoot ONE EIGHT SIX

A venue that is rewriting Manchester's nightlife story

Our first, and far from last, trip to this hidden speakeasy in the heart of Deansgate was exactly what our Design Manager was looking for: something unique; something different. Nestled beneath an iconic Grade II listed courthouse, ONE EIGHT SIX is one truly unforgettable experience. After a descending entrance through a mirrored staircase and a barbershop, the venue opens

up to an array of intimate booths for couples or larger parties, with more to see around each corner.

A very special thanks to the owner, Karl, for opening the venue up early on a very chilly November morning to accommodate us, and for helping throughout the day.

New Marlish Mixers and Tonics

Handmade and bottled and canned at source on Marlish Farm, our Sugar Free Tonics and Mixers are a combination of our slowly filtered Spring Water with natural flavourings.

Sourced in the hills of Northumberland, our Spring Water used in all our tonics and mixers takes over 150 years to slowly filter through the rock strata acquiring its pure quality and fine taste. Our Marlish Tonics and Mixers have been crafted to enhance the taste of fine spirits by expertly combining their spring water with natural flavourings and bubbles. Enjoy on its own or as the exemplary complement to your spirit of choice.

All Marlish Premium Tonics and Mixers are available in 200ml glass bottles, with English Tonic Water, Soda Water, Premium Lemonade and Ginger Ale also available in convenient 150ml cans.
